

Plan for Summer Ministry

Children need Jesus and He is their only hope. Summer is an excellent time to reach them!

As members of God's family, our goal is to share the Good News of Jesus with as many children as possible. To help you and your church reach out to children in your communities, *Child Evangelism Fellowship* Quebec has developed a summer ministry plan with two components: *JCA Jeunesse Chrétienne en Action (Christian Youth in Action)* and *The Church in Action*. Contact us for more information about how we can help you with your summer ministry.

We're praying for you in this time of preparation for your summer ministry, that God would give you wisdom as you make decisions and give you enthusiasm for reaching the children. Thank you again for your participation in reaching the greatest mission field—the children.

Component 1

The *Jeunesse Chrétienne en Action (Christian Youth in Action)* program

Young people ages 15 and up can get involved in a summer ministry that brings eternal results. They can teach in *5-Day Clubs*. A *5-Day Club*® is a 2 to 3-hour program that runs for five days during the summer, typically from Monday to Friday. The dynamic program includes games, skits, songs, memory verses and life-changing Bible lessons after attending training. The young people attend a training in Montreal at the end of June. (The training is only offered in French.) This training allows them to be part of the *CEF* teaching team that will help many churches in their summer ministry. They will also then be trained and ready to help in a club at your church. Contact us if you'd like more information or would like us to come present the program to your youth group.
